## **RE: Engenuity Group, Inc. Civil Engineering, Surveying, and GIS Services**

### **To Whom It May Concern:**

The firm of Engenuity Group, Inc. has served as Town Engineer for the Town of Lake Clarke Shores since 1992 (22 years). Each year at this time it is our pleasure to update our reference letter critiquing their service. We suggest that you refer to our previous letters for information regarding their outstanding accomplishments for us during the past years.

In his role as Town Engineer, Keith Jackson, P.E. provides expertise in areas such as roadways, drainage, parks, permit reviews, special projects, permitting, construction administration, and governmental coordination. The Town relies on and values Mr. Jackson's interaction with Town Council and Staff. Engenuity Group also offers their expertise in Land Surveying and GIS Mapping. Their work is exemplary and always on-time and within budget.

I would highly recommend Engenuity Group for all of your Civil Engineering, Surveying, and GIS Mapping needs.

If I may be of further assistance to you, please do not hesitate to contact me at (561) 964-1515.

Thank you.

Daniel P. Clark, P.E.  
Town Administrator
